### **MESSAGE**

I am happy to know that the University College of Medical Sciences (UCMS) is celebrating its 55<sup>th</sup> Foundation Day and Convocation on 25<sup>th</sup> October, 2026 and is also bringing out a souvenir to mark the occasion.

UCMS has been preparing doctors of that caliber for 55 years, teaching medicine where it matters most, in the wards of busy public hospitals. Its service in diabetes and endocrine care, its work for mothers and children and its speciality programmes encompassing emerging medical sphere, reflect an institution that keeps pace with the needs of the people it serves.

In our tradition, sewa and selfless service are among the highest of callings and the practice of medicine is sewa in its purest form. As we work towards a Viksit Dilli and a Viksit Bharat by 2047, under the vision of Prime Minister Shri Narendra Modi, Delhi must stand alongside the great capitals of the world and ensure accessible and affordable healthcare to its people. Institutions like UCMS & GTB Hospital will make that possible.

To the graduates, my heartiest congratulations. To the parents, your sacrifices are the silent strength behind this day. My appreciation to the Principal, the Medical Director and the faculty and staff of this institution. May UCMS & GTB Hospital continue to heal, teach and inspire for generations to come.
