MESSAGE

I am happy to know that the Central Council for Research in Unani Medicine (CCRUM), Ministry of Ayush, Government of India is organizing a National Conference on "Innovations and Evidence in Unani Practice", on 14-15 February, 2026 in Mumbai.

Unani Medicine, rooted in its deep principles of holistic healing, has been an integral part of the traditional healthcare systems for centuries. With the rapid advancements in healthcare, fostering innovation and generating robust scientific evidence in Unani Medicine has become more essential than ever before.

I am given to understand that the Conference aims to augment the credibility, global acceptance, and future preparedness of Unani Medicine in the direction of Viksit Bharat@2047, set forth by our Hon'ble Prime Minister, Shri Narendra Modi.

I hope the deliberations of the Conference will pave the way for ground-breaking innovations and holistic treatment paradigms.

I extend my good wishes for the success of the Conference.
